Dear Warwick

Re: Masterpiece Special Screening

Tamaki College would like to put forward our sincere thanks for the special screening of the Masterpiece at our school assembly on the 2nd of June 2012.

Tamaki College is made up of Maori and Pacific Island students and on the day the presentation was performed, over 600 students attended. The content and the messages contained within the presentation are important issues for teenage students, particularly the uniqueness of each individual.

It was great that you had the opportunity to spend time with us during the special celebration of the 50th anniversary of Samoan Independence and had the chance to learn more about the Samoan culture.

Fa'afetai tele lava meaning 'thank you'
